

The Ziska Prayer & Praise for February

Dear Praying Partners,

Our biggest prayer request at this time is that you pray with us about the leadership team for the work in Klosterneuburg. The Whites will not be returning for a year. During the period of June to December, 2008 both we and Lisa Meyers, who leads music in our services, will need to be gone on 6-month furloughs. We have changed our services to once a month and are setting up a schedule of Austrian preachers for our monthly services while we're gone. We're organizing some additional Bible study leaders to help Fritz, Gerald and Bill with leading the home studies.

At this point we are praising God that our people are prepared to lead and carry on the work in Klosterneuburg while we're gone, but I know they would appreciate your prayers. At one of our Bible studies we were discussing that there were only 12 in the service the previous Sunday. I told them that I was thinking about that during the service and the Lord reminded me that he began with only 12 and it didn't seem too little or discouraging for Him. In fact, He planned it that way!

Praise God with us for the evangelical Austrian leaders in the area that are willing to be of help. Please pray also for the months we have left in Austria as we visit and do evangelism.

As we said in January we are planning a Home Ministry Assignment in North America from June 13 - Dec. 29, 2008. Both David and Daniel will be with us starting in July. Our tentative schedule is:

Illinois - June 15 to 29, 2008

Ohio - June 30 to September 30 and

Washington & British Columbia - October 5 to December 14.

Pray for us as we set up our schedule to visit you in North America. We have housing and a vehicle to use for our time in Ohio thanks to the Parkside Church in Solon, Ohio. For our time in Illinois, Washington and British Columbia we are still in need of housing and a car.

We're looking forward to getting together with you and learning what God has been doing in your lives while we've been apart.

Blessings from Austria,
